9. What happens if I don't submit a permit?

The RM of Mervin will be proceeding with enforcement procedures as per the Planning and Development Act, 2007. 10. How is the RM going to enforce this?

The municipality will be completing an initial inventory of properties to determine where RVs are currently on site, and additional monitoring in upcoming months to ensure compliance with the Zoning Bylaw. The RM also works closely with individual Organized and Unorganized Hamlet Boards about daily occurrences within hamlet areas, which ensures compliance to the bylaw. Where the RM becomes aware of land uses that are not in compliance with the bylaw, the landowners will be contacted directly for how to comply, or enforcement procedures will be initiated by Council.
